

New Year, New Ashby!

We are proud to show off all the changes that we have made! Check out our store remodel next time you visit us!

Upcoming Events

Every third full week of the month is our Ashby Bag sale! Bring in your Ashby bag to save an extra 15%-25%! Don't have an Ashby bag? You can purchase an Ashby canvas bag for \$5.00!

Welcome!

We are so excited to welcome the folks of Sew Steady & Janome for a fun filled day of learning, giveaways, lunch, and two complete projects! Be sure to check out the flyer on the second page of this Newsletter for more information!

What Are People Saying?

"Took my machine in for repairs and the turn around was amazing. The gentleman knows his machines. Another shop in Marietta was not able to do the repairs but this place has great people, great customer service and great repair services. Thumbs up for the whole experience!"-Laura V.

More Serger Techniques

If you think that sergers only serge, this is the class for you! You will learn a variety of stitches on your serger machine such as: pintucking, blind hem, ruffles, decorative hems, rolled hem, and more. Bring your serger and your imagination to this exciting class and explore the possibilities!

Dates: Saturday: March 23rd or April 27th
1:30pm-4:00pm
Cost: \$50.00
Instructor: Pam

Sewing Machine Basics

Did you buy a sewing machine or want to acquaint yourself with your grandmother's? Learn the parts of your sewing machine along with some sewing terms. Learn how to thread your machine wind a bobbin, and more. Find out how and when to adjust machine tension, change needles, and troubleshoot common machine sewing problems. Conquer your fear of your machine as you master how to care for your machine while using it for many years of sewing fun. Bring your machine, power cord, foot pedal, one empty bobbin, and your instruction book. Other needed supplies are furnished in class.

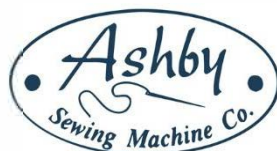

Dates: Mondays: Feb. 4th, March 11th, or April 15th
10:00 am-12:00pm
OR
6:00pm-8:00pm
Cost: \$35.00
Instructor: Kathy G

Sewing Basics

Complete a small project as you take your basic sewing machine knowledge to the next level with this hands-on class. Learn sewing techniques such as maintaining accurate seam allowances, what are grain lines, and proper pinning and ironing for future sewing projects. Master sewing curves and corners in addition to easily creating a machine-made buttonhole, and even sew on a flat button. This class is packed with information to keep you going in your creative sewing journey. Bring your machine, power cord, foot pedal, one bobbin wound with any color sewing thread, straight pins with pincushion, and your instruction book. Other needed supplies are furnished in class.

Prerequisite: Must know how to operate your sewing machine.

Dates: Mondays: Feb 25th, March 25th or April 29th
10:00am-12:00pm
OR
6:00pm-8:00pm
Cost: \$35.00
Instructor: Kathy G

Embroidery Machine Basics

Are you new to machine embroidery? Gain confidence in this hands on class to learn machine operation, threading, stabilizers, basic hooping, fabric selection, needles, tension and more. Bring your embroidery machine with the embroidery unit, hoops, power cord, instruction book, one empty bobbin, machine accessories, and scissors.

Other supplies furnished in class.

Dates: Saturdays: Feb 16th or
March 16th

10:30am-12:30pm

Cost: \$35.00

Instructor: Kathy G.

Kids Can Sew

Let your kids discover the fun of SEWING!

This fabulous hobby teaches your child many things: math skills, patience, following direction, and a great break from social media and cell phone mania. Each student attends an on - going, one hour, weekly class

Only four students in each class. (This allows ample time to give one - on - one instruction to each student). Individual workbooks & pattern packs will be provided for each student with a 9 month Curriculum.

Each student works at her/his own pace.

Classes begin Wednesday February 6, 2019, and meets every Wednesday after, with a number of breaks in between the 9 month course

Time: 5:00 pm,

Cost: 15.00 per class

Pay as you go, no contract or obligation to be present each week for class. You just have to register your child so the teacher will know how many to expect per class

Embroidery Machine Project

Experience tips and techniques to complete an embroidery applique project. Bring your embroidery machine with the embroidery unit, hoops, all cords, instruction book, one bobbin wound with machine embroidery bobbin thread, applique scissors, and machine accessories. Bring a blank flash drive or bring your laptop if your embroidery machine only accepts design transfer by usb cable. Project supplies furnished in class.

Prerequisite: Must know how to operate your embroidery machine and use your embroidery hoop.

Dates: Saturdays: Feb 16th or March
16th

1:30pm-3:30pm

Cost: \$35.00

Instructor: Kathy G
